Boston Financial Management merges with Emerson Investment Management

Author **Francis Monfort**

Theme **Banking**

Boston Financial Management LLC has merged with Emerson Investment Management LLC, Boston citybizlist reported May 3.

Both companies are based in Boston. The combined entity will operate as Boston Financial Management. Following the merger, Boston Financial now has about \$1.8 billion of client assets under management.

Mike Brown will remain as president and CEO. Brad Weafer will serve as chief investment officer to lead the investment research team.
